**Advises on corporate, securities and regulatory matters, primarily representing institutional and entrepreneurial investment managers, financial services firms and private investment funds in all aspects of their business.**

Josh's experience includes structuring investment management firms, hedge funds, private equity funds, hybrid funds and funds of funds; and structuring and negotiating seed and strategic investments.

He also regularly advises investment management firms and their principals on UK and US regulatory compliance, acquisitions and reorganisations of investment management firms, and restructuring proprietary trading desks into independent investment management firms.

Josh regularly advises fund clients in the fintech space and has established a profile in the industry as a leading cryptocurrency and

digital asset funds practitioner.

He previously led the US Financial Reforms Working Group for the Alternative Investment Management Association.

Josh is recognized as a leading investment management lawyer by *Best Lawyers*, *Chambers UK*, *Chambers Europe*, *IFLR1000*, *The Legal 500 UK* and *Who's Who Legal: The International Who's Who of Private Funds Lawyers*, and was twice named to the *Financial News 40 Under 40 Rising Stars* list.

In *Chambers UK*, clients have described him as “pragmatic and commercial in his outlook” and “always reachable no matter what.”

At *The Hedge Fund Journal Awards* 2018, Josh was honored with an “Outstanding Contribution” award for his services to the hedge fund industry.

He is a frequent speaker and author on issues facing the investment management industry, including most recently on the current regulatory landscape for hedge funds, the EU Directive on Alternative Investment Fund Managers and the SEC’s Private Fund Adviser Rules.
