Marc Weingarten Discusses Growth of Shareholder Activism with *The Deal*

November 3, 2014

In this video, SRZ partner and co-head of the firm's global shareholder activism practice Marc Weingarten talks to *The Deal* about the growth of shareholder activism in the past year and the expansion of SRZ's shareholder activism practice into the U.K., where U.S.-based investors are increasingly turning their attention. Marc also discusses SRZ's *2014 Shareholder Activism Insight Report*, which indicates expectations for increased shareholder activism activity in 2015 and beyond.
