2023 HFM European Legal Summit

November 14 - 15, 2023

As hedge fund managers continue to grapple with the fall-out from Brexit, an increasing onslaught of regulations from the US, and ongoing compliance pressures in ESG and artificial intelligence amongst others, the role of legal and compliance teams has never been so vital and all-encompassing.

Taking place 14-15 November at Sopwell House, the Summit is designed to focus on the key topics affecting senior legal and compliance executives within hedge funds in today's rapidly shifting environment. The agenda has been extensively researched with the industry to ensure that it covers the issues, opportunities, trends, and pain-points that you are facing.
