## Schulte Sponsors 2020 Vault/MCCA Law Firm Diversity Survey

**October 2020**

Schulte is a proud sponsor of the 2020 Vault/MCCA Law Firm Diversity Survey, a partnership between Vault and the Minority Corporate Counsel Association (MCCA) — a leading advocate for the expanded hiring, retention and promotion of minority attorneys. The survey responses provide a detailed look at law firm demographics, with attorney headcounts by race/ethnicity, gender, sexual orientation and disability status. The project and database provide a window into what law firms are doing to ensure equal opportunities. Vault and MCCA have been conducting the Law Firm Diversity Survey since 2004, and this year, there were 233 participants. The Law Firm Diversity Database is recognized as an invaluable tool for measuring progress in the profession.
