ESG Investing: Growing and Evolving

The Hedge Fund Journal

February 2020

The Forum for Sustainable and Responsible Investment (US SIF) estimates that \$12trn of assets are now managed taking account of ESG factors. SRZ's investment management and activist practices advise on ESG issues, working with clients including dedicated ESG funds and activists who consider ESG factors. In this article, partner and co-head of the Investment Management Group Stephanie Breslow discusses the increased influence of ESG policy in investing decisions.
