Joshua Wright is the knowledge management attorney for firm's Investment Management Group, and point person for CFTC and NFA compliance in the Regulatory & Compliance Group. In the former capacity, Joshua draws on legal knowledge, technology and the capabilities of the firm's attorneys and personnel to build processes, resources and training that facilitate efficient delivery of industry-leading legal solutions and market intelligence for the firm and its clients. As a member of the Regulatory & Compliance Group, Joshua advises concerning the expanding array of legal issues involving commodity interests, CFTC registration, NFA membership, and exchange-level compliance that confront both domestic and international investment managers across the gamut of firm sizes and strategic dispositions. Joshua routinely advises managers undergoing NFA examinations and has experience with both exchange-level inquiries and seeking no-action relief from the CFTC.
