919 Third Avenue
New York, NY 10022

Represents venture funds, strategic investors, private equity firms, asset managers and other investors in their venture and growth investment transactions.

Mike advises investors in private companies at all stages of development in the information technology, life sciences, financial services, energy/cleantech and telecommunications sectors. He also advises on PIPEs, at-the-market and similar financings for publicly listed companies.

He represents startups and growth-stage companies in a full range of financial and strategic transactions, including debt and equity financings, acquisitions and divestitures, joint ventures, licensing arrangements and other complex commercial matters.

Mike is recognized as a leader in his field by *Chambers USA* and *New York Metro Super Lawyers*.
