919 Third Avenue

New York, NY 10022

Works closely with the Executive Committee to identify, plan and implement technology solutions that align with the goals of the firm, our practice groups and business departments.

Andrea leads the IT teams responsible for the firm's various technologies and associated operations, and works to ensure that IT continues to deliver superior technology services and support.

She has more than 30 years of experience leading global information technology organizations for large law firms and corporations.

Andrea is the founder and CEO of i.WILL, a professional networking organization helping women advance in their careers. She also works as Vice Chair for Inspire CIO's NYC Chapter, an advisory committee member for Gartner's Evanta organization and an advisory board member for Genesys Works.
