Peter Halasz Named One of the Nation's Top 10 International Trade & Finance Lawyers

May 16, 2011

For the fourth consecutive year, Peter J. Halasz, an investment management and business transactions partner in the New York office, has been named one of the Top 10 International Trade & Finance Lawyers in the United States by *United States Lawyer Rankings*. Peter's practice focuses on mergers & acquisitions, securities, private equity, international business and investment funds, including the development, placement and management of alternative investment fund products. In the capital markets area, he has represented issuers and underwriters in public offerings of equity and debt, commercial paper and euro medium-term note programs and Rule 144A offerings.
