## **The Long View: An Overview of the Key Pieces of US Regulation Set to Impact Private Fund Managers in 2012**

**February 2, 2012**

Private fund managers are asking the question: what's next in terms of US regulation? Predicting the future of hedge fund regulation is always a high-risk assignment. What we do know is that the new paradigm of increased regulatory demands, disclosures and scrutiny in the US is here to stay.
