SRZ Advises Pouschine Cook on Sale of Specialty Chemicals Company

May 2, 2012

SRZ advised private equity firm Pouschine Cook Capital Management LLC on the sale of its portfolio company Doe & Ingalls Management LLC to Thermo Fisher Scientific Inc. for approximately \$175 million in cash. Durham, North Carolina-based Doe & Ingalls is a premium provider of specialty production chemicals and customized supply-chain services to the life sciences and microelectronics industries. Thermo Fisher serves the scientific, pharmaceutical and health care communities. The SRZ deal team included tax partner Kurt F. Rosell, and partner Michael E. Swartz handled the antitrust/competition aspects of the transaction.
