June 2013

Written by leading corporate governance lawyers from around the world, the 2013 edition of *The International Comparative Legal Guide to: Corporate Governance* provides corporate counsel and international practitioners with practical cross-border insight into corporate governance. The guide includes two sections, general chapters outlining directors' duties in the "Zone of Insolvency" and a global governance framework for company directors, and country-specific Q&A chapters that provide a broad overview of common issues in corporate governance laws and regulations in 33 jurisdictions. SRZ partner Marc Weingarten and former SRZ attorney David E. Rosewater authored the USA chapter.

This chapter appeared in the 2013 edition of *The International Comparative Legal Guide to: Corporate Governance*, published by Global Legal Group Ltd, London.
