SRZ Partner Marc Weingarten Discusses Shareholder Activism in Interview with *The Activist Report*

July 2013

The July 2013 issue of *The Activist Report* features SRZ partner Marc Weingarten in an interview that highlights Marc's background in activist campaigns and discusses recent shareholder activism trends. Among other areas, Marc explains how activist clients might approach company management and discusses the critical factor that distinguishes a winning activist campaign from a losing campaign.
