## **SRZ Advises Liberty Hall on Acquisition of Aerospace Supplier**

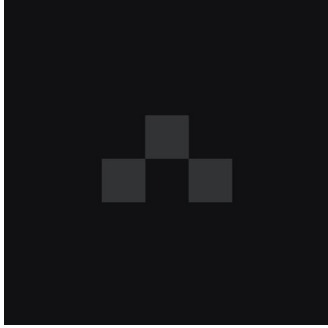

**November 14, 2013**

SRZ advised private equity firm Liberty Hall Capital Partners on the acquisition of Tulsa-based Precise Machining & Manufacturing, a leading Tier II supplier of highly engineered machined parts, kits and assemblies, and processing services to the global aerospace industry. The deal, announced on Nov.14, 2013, secured the foundational asset for Liberty Hall's Accurus Aerospace Corporation, which was formed through a combination of strategic investments and additional strategic acquisitions to become a fully integrated, highly diversified Tier II aerostructures supplier.

The SRZ team for this deal included environmental partner Howard B. Epstein; finance partner Ronald B. Risdon; intellectual property, sourcing & technology special counsel Scott M. Kareff; investment management partner Jason S. Kaplan; real estate partner Julian M. Wise; and former Shulte lawyers Matthew J. Gruenberg and Kurt F. Rosell.
