## Structuring, Drafting and Enforcement Recommendations for Hedge Fund Managers Considering Employee Compensation Clawbacks (Part One of Two)

**August 7, 2013**

In the current heightened enforcement climate, hedge fund managers are increasingly exploring, implementing and using employee compensation clawbacks to mitigate risk. In this article, the first in a two-part series, SRZ partner Holly H. Weiss talks to *The Hedge Fund Law Report* about employee clawbacks at hedge fund managers, including the types of employees, misconduct and triggering events covered by clawbacks, and the benefits of implementing clawbacks.
