Structuring, Drafting and Enforcement Recommendations for Hedge Fund Managers Considering Employee Compensation Clawbacks (Part One of Two)

August 7, 2013

In the current heightened enforcement climate, hedge fund managers are increasingly exploring, implementing and using employee compensation clawbacks to mitigate risk. In this article, the first in a two-part series, SRZ partner Holly H. Weiss talks to *The Hedge Fund Law Report* about employee clawbacks at hedge fund managers, including the types of employees, misconduct and triggering events covered by clawbacks, and the benefits of implementing clawbacks.
