SRZ Partner Howard Schiffman Discusses Insider Trading in Interview with *HFMWeek*

August 2014

HFMWeek featured SRZ partner and co-chair of the firm's Litigation Group Howard Schiffman in a column focusing on insider trading. In the interview, Howard provides legal insight into the industry crackdown on insider trading activity and discusses topics including the effectiveness of the SEC in combating illegal insider trading, the challenges of proving insider trading, new technologies helping to detect insider trading and how the act of insider trading is changing with the prevalence of activist investors.
