SRZ Partners Edit and Contribute to the *Bankruptcy Litigation Manual*

November 11, 2015

SRZ partner Michael L. Cook served as lead editor and contributing author for the *Bankruptcy Litigation Manual*, published by Aspen Publishers.

Authored by the country's top bankruptcy litigators, the *Bankruptcy Litigation Manual* provides authoritative, up-to-date information on virtually every step in the business bankruptcy litigation process, from the drafting of pleadings through the appellate process. This newly updated edition covers key topics and issues that must be considered in any bankruptcy dispute, including litigation against a corporate debtor's officers; limits on suing a bankruptcy trustee; the current status of insider litigation; financing issues; successor liability in asset sales; jurisdictional limits; and professional fee issues.
