Schulte Partners Discuss Recent Challenges and Trends in *Employment Law Update: 2015 Year-End Review*

February 2016

In the past year, many significant statutory, regulatory and case law developments affected employers' approaches to a variety of important workplace issues. In the firm's new *Employment Law Update: 2015 Year-End Review*, partners Mark E. Brossman, Ronald E. Richman and Holly H. Weiss summarize a range of challenges employers faced in 2015, including changing the ways they handle background checks and whistleblowers, classifying workers as unpaid interns and making religious accommodations in the workplace.
