## **SRZ Insights: Hardwiring for Extra ERISA Capacity**

**March 2016**

In this SRZ Insights video, partner David M. Cohen discusses how investment funds can go over the 25-percent ERISA threshold when taking in U.S. private pension money by using a hard wired master-feeder structure. David describes the details of being hard wired, as well as the types of funds that can use this structure.

SRZ Insights videos feature firm attorneys sharing their expertise on timely topics in the financial services industry. For more SRZ Insights, visit the firm on Vimeo.
