Eleazer Klein Discusses Activism in the Microcap Market

May 23, 2016

In this interview with Wall Street View, partner and co-chair of the firm's global Shareholder Activism Group Eleazer Klein discusses activism in the microcap market and how activists try to improve the performance of a company. Ele spoke to Wall Street View from the Growth Capital Expo 2016 in Las Vegas, Nevada in May, where he was a presenter on the topic of activism in the microcap market.
