Jeffrey Lenobel Discusses New York Real Estate Economy on the Stoler Report

October 4, 2016

Partner and chair of the firm's Real Estate Group Jeffrey Lenobel appeared on the Stoler Report, a weekly television program featuring a roundtable discussion with New York's business and community leaders. During the broadcast, titled "Crystal Ball: What's Really Taking Place in Commercial and Residential Real Estate?," the panel discussed the commercial side of New York's real estate economy, as well as factors that need to be considered for the future growth and stability of the market.
