Jim McNally Discusses Current Asset Manager M&A Landscape with *The Hedge Fund Journal*

The Hedge Fund Journal

September 2016

In this interview with *The Hedge Fund Journal*, partner Jim McNally discusses the current asset manager mergers and acquisitions landscape, including increased M&A activity among alternative asset, hedge fund and traditional asset managers and the complexities of cross-border deals. He also shares his thoughts on how Schulte's practice and experience helps to inform decisions for firms that are undergoing corporate transformations.
