Schulte Recognized as Leading Law Firm in 2017 Edition of *IFLR1000*

November 17, 2016

The 2017 edition of *IFLR1000: The Guide to the World's Leading Financial Law Firms* recognized Schulte in six categories in the United States and the United Kingdom. The firm ranked in Capital Markets – Structured Finance and Securitization (United States), Investment Funds – Hedge Funds (United States and United Kingdom), Investment Funds – Private Equity Funds (United States), Mergers and Acquisitions (United States), Private Equity (United States), and Restructuring and Insolvency (United States). The annual publication is a legal guide that identifies the world's top law firms focusing exclusively on corporate finance and transactional law.
