Jennifer Dunn and Anna Maleva-Otto Named Among *The Hedge Fund Journal's* '50 Leading Women in Hedge Funds 2017'

May 19, 2017

The Hedge Fund Journal named investment management partners Jennifer Dunn and Anna Maleva-Otto to its 2017 edition of "50 Leading Women in Hedge Funds." The biennial report recognizes the top 50 female hedge fund industry leaders based on data gathered from interviews with industry experts based in Asia, the United States and Europe. This prestigious recognition honors the women who represent an elite group of professionals who are leading by example and are shaping the future of the hedge fund industry.
