Schulte Lawyers Author Chapters in *Getting the Deal Through – Dispute Resolution 2017*

July 2017

Litigation partners Robert Abrahams and Robert Ward and former Schulte associate Caitlyn Slovacek authored two chapters in the 2017 edition of *Getting the Deal Through – Dispute Resolution*, an annual publication that provides expert local insight into dispute resolution worldwide. Written in a question and answer format, the guide covers key dispute resolution questions for corporate counsel, cross-border legal practitioners and business people. The lawyers authored the “United States – Federal Law” and “United States – New York” chapters, which discuss matters related to civil procedure, limitation issues, pre-action considerations, evidence and discovery, arbitration procedure and other topics.
