Schulte Advises Veritas Capital and Its Affiliates in Acquisition of PricewaterhouseCoopers' US Public Sector Business

May 1, 2018

Schulte represented Veritas Capital and its affiliates in their acquisition of the U.S. public sector business of PricewaterhouseCoopers LLP. PwC's U.S. public sector business helps governments — federal, state and local — and multilateral agencies solve complex business problems, improve processes and manage risk through its capabilities in financial management, strategy development, program management, operational effectiveness and organization design. The deal was announced in February 2018 and was completed on May 1, 2018.
