Schulte's Leading Litigation Finance Practice

The Hedge Fund Journal

March 2018

The United States has seen a tremendous rise in interest and activity in the litigation finance space. As more and more private funds look to invest in litigation financings, Schulte lawyers across multiple practice groups are offering a full suite of services, including fund formation and regulation compliance, assessing the risks and returns, structuring the financing, monitoring the litigation and assisting with the resolution, among other aspects. In this article for *The Hedge Fund Journal*, Schulte partners William Gussman, Adam Harris and Boris Ziser and former Schulte lawyer Alan R. Glickman discuss this booming asset class, the latest trends, what to expect in the year ahead and how the firm's litigation finance lawyers are advising clients.
