Private Equity Buyer/Public Target M&A Deal Study: 2015-17 Review and Comparative Analysis

September 17, 2018

Schulte Roth & Zabel's *Private Equity Buyer/Public Target M&A Deal Study: 2015-17 Review and Comparative Analysis* surveys private equity buyer acquisitions of U.S. public companies from 2015 to 2017. Focusing on key terms in middle- and large-market acquisitions valued at over \$100 million, the study also compares the findings with previous analysis of transactions from 2013 to 2014. The *Deal Study* identifies key market practices and deal trends, and its appendices present additional data helpful to participants in today's M&A markets.
