Private Funds Guidance — Considerations During Volatile Markets for Hedge Funds and Credit, Direct Lending and Distressed Funds (COVID-19)

March 16, 2020

As COVID-19, oil price movements and other geopolitical factors continue to roil the financial markets, there are steps that all investment managers can and should take to mitigate legal risks for themselves and their investors. In addition, there are specific challenges and opportunities for managers of hedge funds and credit, direct lending and distressed funds. In this note, we highlight some of the most relevant considerations.

Please see our other Schulte Roth & Zabel *Alerts* relevant to Investment Managers posted on our COVID-19 Resource Center, available here.
