Schulte Stands with the Asian Community

March 2021

Schulte has joined the National Asian Pacific American Bar Association (NAPABA) and members of the legal and business communities to denounce anti-Asian hate, violence and racism. The rise in anti-Asian attacks is unacceptable. Xenophobia, hate crimes and racist violence have no place in our society. We stand in solidarity with our colleagues who are members of Asian and Asian-American communities and with those communities at large. We unequivocally condemn racism and violence. Sadly, there is much progress to be made. Schulte has always advocated for justice and equality and we will continue the fight against all forms of discrimination.
