Schulte Partners Named Among the 50 Leading Women in Hedge Funds 2021

October 2021

Schulte partners Gayle Klein and Kelly Koscuishka have been named among the 50 Leading Women in Hedge Funds for 2021. The annual list, presented jointly by The Hedge Fund Journal and Ernst & Young, highlights the achievements of an accomplished group of women making an impact on the hedge fund industry. The list identifies market-leading professionals who exemplify success and leadership in both investment and non-investment roles.
