Schulte Roth & Zabel Expands Services as Private Market Deal Flow Hits Historic Levels

Alternatives Watch

November 15, 2021

Long-time private capital lawyer Michael Flynn is seeing a pattern in his work with growth capital investment that boils down to more deals closing at a blink of an eye compared to where they were a decade ago.

Mike joined SRZ's New York office in October to help private market investors put money to work at a time when analysts suspect there are trillions in dry powder hunting for opportunities, as growth in the capital and venture capital investments segment of the market has exploded. In this interview with *Alternatives Watch*, Partner Michael Flynn discusses his work with his clients at SRZ and the shift in private market deals over the past few years.
