## SRZ Partner Brian Miner's Commentary Featured in Barron's

**April 2022**

Partner Brian Miner was featured in a *Barron's* article outlining the year-over-year decline in global and domestic M&A volume. Offering a contrary point of view that volume has shifted to leverage higher valuations and stay ahead of tax reform, Miner stated, "There were a lot of deals slated to hit the market in the first quarter that sellers decided to move up into the fourth quarter."
