SRZ Partner Benjamin Kozinn Quoted in Private Equity Law Report: “SEC Proposed Private Fund Rules: General Observations (Part Two of Three)”

June 1, 2022

In a recent Private Equity Law Report article by Robin L. Barton, Schulte Roth & Zabel partner Benjamin Kozinn shares his thoughts regarding the newly proposed rules by the Securities and Exchange Commission regarding private funds.

“There are a lot of details to be unpacked, but as you read the Proposal, you start realizing there’s more than meets the eye in terms of the potential unintended effects of what the SEC is proposing,” explained Kozinn.
