September 14, 2022

SRZ associate Ekenedilichukwu (Keni) E. Ukabiala recently met with Cassidy Mudd from KWGS Public Radio Tulsa to discuss the amended petition that the firm, along with Justice for Greenwood and the remaining survivors of the 1921 Tulsa Race Massacre, filed against the city.

“This is a huge moment, for the first time ever a case about the Massacre in which we can hold the perpetrators accountable will go forward, and we want to keep moving with as much speed as we can because time is of the essence,” said Keni.
