Overview of Relevant Laws and Considerations for Pursuing a Third-Party Litigation Funding Strategy

October 2022

Schulte Roth & Zabel partner Boris Ziser and associate James McGuire recently authored “Overview of Relevant Laws and Considerations for Pursuing a Third-Party Litigation Funding Strategy” for the *Private Equity Law Report*, providing a primer on third-party litigation funding to both commercial claimants and law firms. In the article, Boris and James explain the types of litigation funding, relevant regulatory information and more.
