SRZ Hosts Inaugural Affinity Groups Fair

Nov 23, 2022, 12:00 AM

Schulte Roth & Zabel hosted its inaugural Affinity Groups Fair. The fair was an opportunity for the SRZ community to engage with attorney and business staff representatives of the firm's eight affinity groups, and learn about affinity group meetings, events and advocacy efforts.

Through conversations, food, drinks and more, each of the affinity groups – API Affinity Group, Black Affinity Group, Caregivers Affinity Group, First Generation Professionals Affinity Group, Latinx Affinity Group, LGBTQ+ Affinity Group, Veterans Affinity Group and Women's Affinity Group – shared their missions and welcomed new members.

SRZ is proud to continue building a culture of inclusion and belonging.
