SRZ CIO Andrea Markstrom Quoted in *Legaltech News*: “Legal Tech’s Predictions for Cybersecurity in 2023”

January 10, 2023

Schulte Roth & Zabel Chief Information Officer Andrea Markstrom recently spoke with *Legaltech News* to discuss her cybersecurity predictions for 2023.

Andrea explained, “[w]e have to keep our foot on the gas when it comes to building a security-first culture. We must also be vigilant about providing effective security awareness training, and implementing a zero-trust framework, while also staying focused on not sacrificing security for convenience.”
