## Considerations for BigLaw Staffing & Associate Development

**Bloomberg Law**

**February 2023**

In an article for *Bloomberg Law*, Schulte Roth & Zabel partner Peter Naismith shares his observations as to how law firms can maintain an ongoing, substantive staffing dialogue with associates.

In a demanding law firm environment, maximizing the potential of associates is a priority. In order to help associates navigate their careers, staffing partners need to have a good sense of direction, and be active listeners. And associates need to be encouraged to speak openly regarding their staffing goals and concerns.
