Schulte partners quoted in *FundFire*

September 1, 2023

Schulte Roth & Zabel partners Allison Scher Bernbach, Jennifer Dunn, Kelly Koscuishka and Tony Taylor were quoted in Lydia Tomkiw's recent *FundFire* article, "Hedge Funds Zero In on Side Letters, Preferential Treatment with SEC Private Funds Rule," discussing the SEC's new Private Fund Adviser Rules.

The Schulte team explained how the rules — the most sweeping revisions to private fund regulations since the 2010 Dodd-Frank Act — will impact funds, affecting preferential treatment disclosures and side letters, and introducing new requirements, including quarterly reporting, among other things.
