Schulte Roth & Zabel advises Gramercy Funds Management in one of the largest-ever litigation funding deals

October 3, 2023

Schulte Roth & Zabel acted as lead counsel and advised Gramercy Funds Management as lender in one of the largest-ever loans in the litigation funding sector – and the largest ever to a United Kingdom law firm – with a \$552.5 million secured loan to Pogust Goodhead.

The Schulte team was led by partners Boris Ziser and Polly O'Brien and special counsel David Gerst.

“We are thrilled to have been a part of this highly successful and record-breaking transaction that illustrates the significant growth within the litigation funding market,” said Boris.

Schulte is very proud to have been involved in this historic transaction and congratulates all of the parties on a successful closing.
