

World Sky Service

SRZ's World Sky Service™ is an online collection of regularly updated reports that summarize the private placement laws in the countries around the world in which hedge funds and private equity funds are frequently marketed. Subscribers to the World Sky Service can visit our secure extranet site by clicking [here](#).

If you would like to learn more about the World Sky Service and are a client of the firm, please contact your attorney at Schulte Roth & Zabel. More information can be obtained by viewing our press release or you may also contact us by email at SRZConnectHelp@srz.com.
