Schulte lawyers featured in Eagle Alpha *2023 Alternative Data Report: The Year in Review*

Eagle Alpha

December 2023

Schulte partners Peter Greene and Ben Kozinn, and special counsel Jessica Margolies are featured in Eagle Alpha's *2023 Alternative Data Report: The Year in Review*. In their "Legal Perspectives" section, they examine the three developments that shaped the alternative data world in 2023: the emergence of generative AI, the investigation of Capvision, and vendor diligence processes and procedures. They also provide their outlook for alternative data in 2024.
