Schulte Advises Mason Capital Management, LLC on CAD 163 Million Secondary Offering of ATS Corporation

March 29, 2024

Schulte Roth & Zabel represented Mason Capital Management, LLC as selling shareholder in the concurrent US and Canadian secondary offering of 3.5 million common shares of ATS Corporation (TSX: ATS) (NYSE: ATS) in accordance with the multi-jurisdictional disclosure system established between Canada and the United States.

Mason Capital, a long-time investor in ATS, is a global event-driven hedge fund with \$1.5 billion of assets under management. It will retain a substantial ownership stake in ATS, an industry-leading automation solutions provider.

The Schulte team was led by partners David A. Curtiss (M&A and Securities) and Charles Clark, co-chair of the firm's SEC Enforcement and White Collar Defense Group, with associate Nikoleta Nikova (M&A and Securities).
